THOSE AT RISK OR VICTIMIZED
BY SEXUAL EXPLOITATION

WHAT IS THE ISSUE?

Sex trafficking occurs when someone uses force, fraud or coercion to cause a commercial sex act with an adult or minor.

- The average age of a girl used in the sex trade in Georgia is 14 1/2 years old.
- Over 50% of metro Atlanta's homeless youth have experienced human trafficking in their lifetime.
- Each night around Atlanta, hundreds of youth and women are sold for sex.
